

## Swiss Elegance in the heart of Mykonos

Three years ago, the designer duo Michael Muntinga and Roland Rahal introduced the Mourjjan brand to the Greek audience with their first exclusive boutique in Europe, outside Switzerland.

Their collections are refined with delicate creations out of Italian silk with unique prints. Mourjjan is about effortless style through a visual world of the unexpected. Each collection carries a story reflected in the patterns of the pieces and the original prints.

Mourjjan is internationally worn by top models as well as European royalties namely Queen Sylvia of Sweden; it brings its sophisticated style to the enchanting Greek island, with Swiss quality, Italian passion and Mykonian summer moods.

Mourjjan successfully presented their Spring/Summer 2017 collection at this year's Energy Fashion Night at the new Samsung Hall in Zurich. Victoria's Secret Super Models Karolina Kurkova and Maria Borges, as well as Anja Leuenberger wore Mourjjan and walked the catwalk gracefully, giving the audience a breath-taking show.
